

Red Wing Area Fund Grantee Feedback

The Red Wing Area Fund asks its grantees to provide feedback about the outcomes of projects/initiatives that it funds. Every grantee is asked to answer the evaluation questions listed below at the conclusion of the project. **Please mail the written Grantee Feedback to:**

**Red Wing Area Fund
Suite B
418 Levee Street
Red Wing, MN 55066**

Grantee Feedback Questions:

- 1) Briefly describe the original purpose of the grant including the amount, goals, and objectives.
- 2) Evaluate the outcome of the initiative/ project relative to the stated goals and objectives. Please include an explanation of the tools or data used to measure successful outcomes.
- 3) Please comment on the number of individuals impacted by the initiative/project.
- 4) Describe lessons learned during the course of the initiative/project that would impact future actions.
- 5) What modifications would you make, or collaborations would you pursue to achieve even greater impact?
- 6) Identify any funding sources in addition to the Red Wing Area Fund that participated in the project/initiative.
- 7) How will this project/initiative be sustained following the grant period?
- 8) Please provide a summary of funding sources and expenses related to this project/ initiative. Include an explanation of significant variances from the original grant application budget materials.
- 9) Please include a photo or photos of the project when possible. You can either mail the images to the address above or if the images are in a digital format, you can email them to info@redwingareafund.org
If sending digital files please send in high resolution as we may use the image(s) in our annual report.
